

Ok Smokeypurpp, aye what you doin'
Ok Smokeypurpp, aye what you doin'
Aye Lil Water, aye what you doin'
Aye what you doin'
Aye what you doin'
I get them bricks then I put them in the attic
The Glock is hot and nigga hotter then an attic
Attic, Attic
Attic, Attic
Ruger on me and he shootin' like an addict

Ok Smokeypurpp, aye what you doin'
I got these licks and I'm bout to go stupid
They told me stay up out the streets and make the music
And now I do this shit, And now I do this shit
And now I do this [?]
And then I serve it to a dummy with no dollars
Aye what you doin'
Aye fuck you doin'
I put that pistol in his head and it's a throwaway
I fuck a bitch she off the dough and that's a doughaway
Aye what you doin'
Aye what you doin'
I'm a chef boy you know I love the stove
I'm a chef I be whippin' up the coke

Ok Smokeypurpp, aye what you doin'
Ok Smokeypurpp, aye what you doin'
Aye Lil Water, aye what you doin'
Aye what you doin'
Aye what you doin'
I get them bricks then I put them in the attic
The Glock is hot and nigga hotter then an attic
Attic, Attic
Attic, Attic
Ruger on me and he shootin' like an addict
