

After You Put Back The Pieces (I'll Still Have A Broken Heart)

Smokey Robinson & The Miracles

Yes, you played the part of my true lover
But then you broke my heart
Now you'll try in vain to kiss back a dream
That no longer remains

'Cause I'm tired it's true
Of what I'm going through
It's better if we're apart

After you put back the pieces
I'll still have a broken heart

In playing your games
You broke every promise
And then the heartaches came to us

Although you're tellin' me
That you're so sorry
Then you hurt me from the start

After you put back the pieces
I'll still have a broken heart
Oh, yes I will

If my love you miss
Then always remember
That you started this

For a heart that is real
If once it is broken
It may never heal

For breaking hearts with you
Is nothing new
With you it's just an art, I know

After you put back the pieces
I'll still have a broken heart
I know for real

After you put back the pieces
And I'll still have a broken heart
I know, I know, I know, I know

After you put back the pieces
I'll still have a broken heart
