

# It's A Good Feeling

Smokey Robinson & The Miracles

It's a good, good feeling  
It's a good, good, don't you know now  
Yes it is  
Heeeeey

When the down and out do know there's someone standing by  
Saying baby get up  
And try it again  
You can make it if you try  
Someone to encourage you when you're ready to turn around  
To take your hand and understand  
That when you're up you're up and when you're down you're down  
To know your baby's love is true  
That's the feeling I get from you

And it's a good, good feeling  
That I feel inside  
It's a good, good feeling  
Much too good to hide  
Tell 'em bout it  
Ooooo weeee  
It's so good now  
Baby baby  
Mmm hmm hmm hmm

When you're far away from someone  
And you're feeling lonely  
To know that person's feeling just as lonely for you only  
To know your lonely hours are shared  
By someone you adore  
And that you share in everything  
'Cause what's yours is theirs and what's theirs is yours  
The little things that mean a lot  
From you that's a feeling I've got

And it's a good, good feeling  
Oh oh  
That I feel inside  
I said  
It's a good, good feeling  
And it's much too good to hide  
Sing a song  
Yes it is now  
Oooo yeah  
It's so good now  
One more thing now

When your problems get so there's no way out you can see  
I hope that I can do for you what you have done for me  
Rescue you from whatever  
Puts a tear in your eye  
'Cause anything I ask of you  
What you can you'll do and what you can't you'll try  
I want you to know my love is true  
'Cause that's the feeling I get from you

And it's a good, good feeling

Ooh baby  
It's so good  
Good, good feeling  
Sing that song  
It's so good now  
Hooooo weeeee  
Baby baby  
Tell 'em 'bout it  
Better and better  
Better than ever...
