

My Heart Says Yes

Smokey Robinson & The Miracles

(Angel on my right
Devil on my left)

There's an angel on my right
Shoulder saying that I should take you back
Just once more
And a devil on my right
Saying if I take you back, you'll make me blue
Just like before

I'm so undecided and I don't know
Which way to go (Which way to go)
When the angel says yeah, take you back (Yeah, yeah, yeah)
And the devil says no (And the devil says no)

Should I take you back
After all of the things that you've done
To hurt me so?
How can you ask me
Knowing that you were the one
Who hurt me so?

I'm so undecided and I don't know
Which way to go (Which way to go)
When my heart says yeah, yeah, take you back (Yeah, yeah, yeah)
And my mind says no (And the devil says no)

It's so strange to be torn apart (To be torn apart)
By a devil in my mind and an angel in my heart

It's like going north, south, east, west all at once (North, so
uth, east and west)
Not knowing which way to go
These mixed emotions are tearing me apart (Mixed emotions, ooh)
From my head down to my toes

I'm so undecided and I don't know
Which way to go (Which way to go)
When my heart says yeah, yeah, take you back (Yeah, yeah, yeah)
And my mind says no (Take him back, no no no, don't you take hi
m back)

What should I do? (Take him back, no no no, don't you take him
back)
My heart says yes (Take him back, no no no, don't you take him
back)
I still love you (Take him back, no no no, don't you take him b
ack)

My mind says no (Take him back, no no no, don't you take him back)
