Peace On Earth (Good Will Toward Men)

Smokey Robinson & The Miracles

Peace (Peace on earth)
Oh, peace (Good will toward men)

Not only at Christmas
But all through the year, Lord, we need

Peace (Peace) on earth
Good will toward men (Good will toward men)
Peace (Peace) on earth
Good will toward men (Good will toward men)

This whole world would be a better place
If we all kept the spirit of Christmas Day

Why can't we stop senseless wars and fuel the young of all nati
ons?
Close up the gap that divides generations
Rich folk waste food while the poor face starvation
Let's share the wealth and end the poor's degradation
Pollution, revolution, hate, fear and greed, oh
This world's divided by race, color and creed

But the children of the world have the answer
They can teach us love if we follow them
There's a lesson to be learned
From the child of Bethlehem

And it's peace on earth
Good will toward men (Good will toward men)

Not only at Christmas
But all through the year, Lord, we need

Peace (Peace) on earth
Good will toward men (Good will toward men)
We need peace (Peace) on earth
Ah, good will toward men (Good will toward men)
Ooh-wee (Peace on earth)
Peace and good will (Good will toward men)
Oh, we need peace
