

You've Made Me So Very Happy

Smokey Robinson & The Miracles

I lost at love before
I gave up on love and closed my door
But you said try just once more, yeah, yeah, yeah

You chose me for the one
Now I'm having so much fun
You've treated me so kind
I'm about to blow my mind

'Cause you made me so very happy, baby
I'm so glad you came into my life, yeah, yeah, yeah
Ooh

The others were so untrue, baby, baby, baby, baby
But when it comes to loving you
I know I will my whole life through, oh-oh-oh-oh

'Cause you came and you took control
Upset my very soul
You always showed me that
Loving you is where it's at

And you made me so happy, baby
(You make me so very happy)
I'm so glad you came into my life

(Came into my life now)
Oh, baby, yes, you did
(Came into my life now)
One day, one day, I looked up and you
(Came into my life now)
Oh, baby, and I'm so much in love, it seems
(Came into my life now)
Even in my dreams, I hear you calling me, calling me, calling me
(Came into my life now)
Ooh baby, I'm so much in love with you
(Came into my life now)
All I ever want to do is
Thank you, thank you, thank you, baby
Thank you for your sweet love (Came into my life now)

Oh, I wanna rap to you, oh yeah
(Came into my life now)
I wanna tell you how
You came, you saw, you conquered me
(Came into my life now)
Here I hope you'll always be
To love me, baby, love me
(Came into my life now)
Ooh baby, you're too much, you're too good
(Came into my life now)
And I wish that you would always love me, baby, love me, baby
(Came into my life now)
Oh yeah, I wanna
(Thank you) Thank you
(Thank you) Thank you
(Thank you) Oh
