

# Beside You

Smokey Robinson

Beside you  
That's where I want to be forever  
I'm like a soul lost in the river  
Searching for a helping hand  
Ooh  
I love you (yes I love you)  
I guess my dear that's why I need you  
Please don't leave me bewildered, sad, and blue  
Make all my dreams come true

Each night as I lay sleeping  
I see no one but you  
Oh, I know, if I should bore you  
You'd find somebody new

I'd wish you joy  
But if you found your new love made you sad and blue  
Always remember there's a place in my heart  
Place in my heart for you  
Oh, oh, oh, oh, oh, oh

Beside you, that's where I wanna be forever  
I don't ever wanna make you sad or unhappy  
I don't wanna make you feel bad  
I don't wanna make you uncomfortable  
I'll always wanna be beside you

Ooh  
Beside you  
Yes beside you  
I wanna be with you forever  
Yes I love you  
Love you  
Beside you is where I wanna be  
Yes, beside you
