

# I Have Prayed On It

Smokey Robinson

Been having problems with my woman  
Been walking the floor  
Can't sleep at night  
But I know now if we make up  
Even if we break up  
For me every things gonna be alright

Cause I have prayed on it [?]  
I have turned it over to the only one  
Who can solve any problem  
I say Father, oh Father, let your will be done

Child is doing drugs and hanging with the wrong crowd  
Stead of getting better seems to be getting worse  
Did every thing I could but it didn't do no good  
So now I've done what I should done first  
I got down on my knees and said, help me please

And I prayed on it (I have prayed on it) prayed on it, prayed o  
n it  
I have turned it over (I have prayed on it) to the only one  
(I have prayed on it) who can solve any problem  
And said Father, oh Father, Father, let your will be done

Father, let your will be done (Father let your will be done) in  
my life

Trouble on your job your boss is so demanding  
Your money getting funny and your bills overdue  
Your whole life situation is just trial and tribulation  
I know one thing that will see you through (ah)  
Just go to the place where you fall on your face and you (Have  
you prayed on it) pray on it  
You got to (Have you prayed on it) tell your problem to the onl  
y one who can solve any problem  
(Have you prayed on it) Father let your will be done  
Oh have you prayed on it (Have you prayed on it)  
Pray on it, pray on it, pray on it, pray on it, pray on it (Hav  
e you prayed on it) (Ah)  
Have you gone to the place where you fall on your face and you'  
ve prayed on it (Have you prayed on it)  
Have you got on your knees and said Father please prayed on it  
(Ah oh)  
(Have you prayed on it) Have you grabbed Jesus' train  
Have you grabbed Jesus' train (Have you) (Ah oh) (prayed on it)  
Have you prayed on it
