

No Greater Love

Smokie Norful

Do you mind if testify
Tell you of the goodness of my lord
Share some of what he's done for me
How he's opened up so many doors
You may look at me from the outside
And think I got here on my own
But there's no way that you could ever know
How much grace and mercy I've been shown

Oh, if you look into my eyes you'll see
Life has tried to get the best of me
But I know giver of life personally
He's the reason that I sing

His name is Jesus and he loves me
And I know this cause he died for me
And he rescued me there is no greater
Love in the world
[x2]

There's so many things I want to tell you
Of how he made a way for me
If he hadn't loved me through the mistakes
That I made I just don't know where I would be
He showed me so much favor
And now I understand amazing grace
Through all of the pain, all of the same I realize
There is nothing that could take your place

Oh if you look into my eyes you'll see
Life has tried to get the best of me
But I know giver of life personally
He's the reason that I sing

Jesus and he loves me
And I know this because he died for me
And he rescued me there is no greater
Love in the world

His name is Jesus
And I know this because he said it to me
There is no greater love in the world
Unconditional love and it's not turned away
By anything I've done even when I fall
He's there through it all I realized
He's my everything he's the reason I sing
No greater love no greater love than Jesus Jesus
He loves me no greater love no greater love
Than Jesus Jesus so god I'm grateful, I'm grateful
He loves me he loves me he loves me he loves me
He loves me Jesus Jesus he loves me Jesus
Jesus Jesus no greater love in the world my Jesus
