

## Can't Fight This Feeling

Smokie

I can't fight this feeling any longer  
And yet I'm still afraid to let it flow  
What started out as friendship, has grown stronger  
I only wish I had the strength to let it show

I tell myself that I can't hold out forever  
I said there is no reason for my fear  
'Cause I feel so secure when we're together  
You give my life direction, you make everything so clear

And even as I wander I'm keeping you in sight  
You're a candle in the window  
On a cold dark winter's night  
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever

'Cause I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door,  
Baby, I can't fight this feeling anymore

My life has been such a whirlwind since I saw you  
I've been running round in circles in my mind  
And it always seems that I'm following you, girl  
'Cause you take me to the places, that alone I'd never find

And even as I wander I'm keeping you in sight  
You're a candle in the window  
On a cold, dark winter's night  
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever

'Cause I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door  
Baby, I can't fight this feeling anymore
