

# Daydreamin'

Smokie

Daydreamin' is an occupation I know  
'Cos I got nothin else to do  
Daydreamin' is an occupation I know  
I sit alone and think of you

And I don't believe in make believe don't deceive myself  
All that I have left of you  
Is up here on the shelf

Stargazin' is an occupation I know  
I watch them flashing through the sky  
I see your face with every twinkle of the night  
Can't stop myself from asking why

And I don't believe in make believe...

And I don't believe in make believe...
