A A F#m F#m D D E E 2x

A

1. Well you gave me words of wisdom on that starry summer night,
F#m
When you said you had another, when you said he held you tight.
D
But I didn't let you know it, cause I know it wasn't right,
E
But I think I'm going crazy, cause I'm looking for a fight.

A

2. Yes, I know you had some problems with your troubles and ideals,
F#m
But I never had the chance to show you just the way I feel,
D
But a life without a heart and soul it surely can't be real
E **E7**
And I'm facing slaughter now and then, it's not the best of deals

A

- R: And I'm falling for you,
F#m
Yes! I'm falling for you,
D
I don't care about the others who say that life's a dream,
E **E7**
I'm just a man who understands the way the story ends,
A
Yes I'm falling for you,
F#m
Whatever you may do,
D
It's not the best of friends in need, It's love for life it's not just greed
E
And I'm the one who's got it wrong and
E7 **A**
you're the one that sounds so strong.

3. Well I never had a problem in my life before today
And the more I seem to check it out, the less I got to say.
I'm the one who's in the middle without his piece of mind,
I just can't seem to work it out and leave it all behind.
