1. Well you gave me words of wisdom on that starry summer night, $\mathbf{F} \# \mathbf{m}$

When you said you had another, when you said he held you tight.

D

But I didn't let you know it, cause I know it wasn't right,

But I think I'm going crazy, cause I'm looking for a fight.

Α

Yes, I know you had some problems with your troubles and ideals,F#m

But I never had the chance to show you just the way I feel,

But a life without a heart and soul it surely can't be real

And I'm facing slaughter now and then, it's not the best of deals

Α

R: And I'm falling for you,

F#m

Yes! I'm falling for you,

D

I don't care about the others who say that life's a dream,

E7

I'm just a man who understands the way the story ends,

Α

Yes I'm falling for you,

F#m

Whatever you may do,

D

It's not the best of friends in need, It's love for life it's not just greed

E

And I'm the one who's got it wrong and

you're the one that sounds so strong.

3. Well I never had a problem in my life before today And the more I seem to check it out, the less I got to say. I'm the one who's in the middle without his piece of mind, I just can't seem to work it out and leave it all behind.

Α

R: And I'm falling for you,

F#m

Yes! I'm falling for you,

D

I don't care about the others who say that life's a dream,

F

I'm just a man who understands the way the story ends, $% \left(1,...,N\right) =\left(1,...,N\right)$

Yes I'm falling for you,
