

I'll Meet You At Midnight

Smokie

- F#m** **Bm**
1. A summer evening on Les Champs Elyses
F#m
A secret rendezvous they planned for days
F#m **Bm**
I see faces in the crowded cafe
F#m
A sound of Laughter as the music plays.
2. Jeanne-Claude's student at the University
Louise-Marie is just a world away
You recall the night they met was warm with laughter
The words and music as she turned away.
- E** **F#m**
R: I'll meet you at midnight
E **F#m**
Under the moonlight
E **F#m**
I'll meet you at midnight
F#m **Bm**
Oh, but Jeanne-Claude, Louise-Marie will never be
3. Each cigarette will light a thousand faces
The shade is passing like a thousand years
Midnight was turning into empty spaces
The sound of laughter'd disappeared

4. A summer morning on Les Champs Elyses
The entertainment in the street cafe
The sunlight melting through an open doorway
Jeanne-Claude has left some other day...
