

# If You Think You Know How To Love Me

Smokie

**Hm** **A**  
1. Breathless drive on a downtown street

**Hm** **A**  
Motorbike ride in the midday heat

**D** **A**  
Dust and harm from the desert skies

**E**  
run oh we'd run it still burned our eyes

2. Oh yes we may walk on the wild wild side of life  
And our movements trace lay a stranger close by your side  
The shadows of the promise you can take my hand  
Show me the way to understand

**Hm** **A**  
R: So if you think you know how to love me

**Hm** **A**  
And you think you know what I mean

**Hm** **A**  
And if you really, really want me to stay

**E**  
You've got to leave the way

**Hm** **A**  
Yes if you think you know how to love me

**Hm** **A**  
And you think you can stand by me

**Hm** **A**  
And if you really, really want me to stay

**E** **A**  
You've got to leave the way

**A** **Hm E** **A**  
oh oh oh mmh mmh

3. Reckless night in a nameless town  
Then we moved the other side in a silent sound  
Beached and wept with desert waves  
That's where we slept, knowing we'd been save

4. Now you may think you can walk on the wild wild side with me  
There's a lot I can learn and a lot that I yearn to see  
Now you've got my life, lying in your hands  
So it's up to you to make me understand
