Still The One

When I first saw you, I saw love And the first time you touched me, I felt love And after all this time, you're still the one I love

Looks like we made it Look how far we've come my baby We might took the long way We knew we'd get there someday

They said, "I bet they'll never make it" But just look at us holding on We're still together still going strong

(You're still the one) You're still the one I run to The one that I belong to You're still the one I want for life

(You're still the one) You're still the one that I love The only one I dream of You're still the one I kiss good night

Ain't nothin' better We beat the odds together I'm glad we didn't listen Look at what we would be missin'

They said, "I bet they'll never make it" But just look at us holding on We're still together still going strong

(You're still the one) You're still the one I run to The one that I belong to You're still the one I want for life

(You're still the one) You're still the one that I love The only one I dream of You're still the one I kiss good night

You're still the one (You're still the one) You're still the one I run to The one that I belong to You're still the one I want for life

(You're still the one) You're still the one that I love The only one I dream of You're still the one I kiss good night

I'm so glad we made it Look how far we've come my baby
