## **Days Just Wave Goodbye**

**Smoking Popes** 

Bother, I don't bother Bother, I don't bother Days just wave goodbye as they ride in tonight And then they're gone, gone, gone... Sorry, I'm not sorry Sorry, I'm not sorry Yesterday goodbye I've got no tears left to cry cause they're all gone, gone, gon e... For the first time in a lifetime I can keep my eyes closed all day long, yeah Happy, I'm so happy Happy, I'm so happy So happy now that I'm gone, gone, gone...
