Snakehips

You don't know what you do
Got me loving you
So please don't go 'cause
You don't know what you do
Got me all over you
And I don't know what to do about

You don't know what you do
Got me loving you
So please don't go 'cause
You don't know what you do
Got me all over you
And I don't know what to do about

Got me all over you
Got me all over you
And I don't know what to do about
Got me all over you
Got me all over you
And I don't know what to do about

And I don't know what to do about

You don't know what you do
Got me loving you
So please don't go 'cause
You don't know what you do
Got me all over you
And I don't know what to do about

You don't know what you do
Got me loving you
So please don't go 'cause
You don't know what you do
Got me all over you

Got me all over you
Got me all over you
And I don't know what to do about

Got me all over you
Got me all over you
And I don't know what to do about

And I don't know what to do about
