

# Cruzin'

Snakehips

It's too high, we can't reach it  
And one, two, three, four

Baby, where you going? (Where you going?)  
Pull up in this grey foreign  
I know you're down, don't you play me  
No, no, no, no, no  
Want me to change for you (right now)  
Whooping through these lanes for you (aha)  
Don't make me wait if you want me  
No, no, no

No rely  
Only you giving me mixed signals  
Switching side  
Why can't we just meet in the middle?

Call me when you're cruzin'  
I do this, I do this  
Don't give me excuses  
Excuses, I do this  
'Cause your body's talking, baby (body's talking)  
Am lost in conversation  
I stay cruzin', so carry on

Ooh, I just wanna take it slow  
We'll be cruzin' all of the night, aay  
Ooh, anywhere you wanna go  
Say we're cruzin' all of the night, yeah

Hey, baby, what's the problem? (You know)  
We got a lot in common (yeah, yeah)  
And I'mma be around when you call me  
No, no, no, no  
Hey, baby, want me to flex on you?  
Fuck around and spend a check on you?  
Yeah, you get anything that you want  
If you come with me

No rely  
Only you giving me mixed signals  
Switching side  
Why can't we just meet in the middle?

Call me when you're cruzin'  
I do this, I do this  
Don't give me excuses  
Excuses, I do this  
'Cause your body's talking, baby (body's talking)  
Am lost in conversation  
I stay cruzin', so carry on

Ooh, I just wanna take it slow  
We'll be cruzin' all of the night, aay  
Ooh, anywhere you wanna go  
Say we're cruzin' all of the night, yeah  
Ooh, I just wanna take it slow

We'll be cruzin' all of the night, aay  
Ooh, anywhere you wanna go  
Say we're cruzin' all of the night, yeah

We can go hours and hours  
We can go hours and hours  
Coast cruizin'  
We can go hours and hours  
We can go hours and hours  
Coast cruizin'  
(We can go hours and hours)  
(We can go hours and hours)  
(Coast cruizin')  
(We can go hours and hours)  
(We can go hours and hours)  
(Coast cruizin')
