

# Overtime

## Snakehips

Imma make you fall in like you'll never have it again  
Cause now we're both technically single, I don't have to pretend

Ahh, I'm going overtime  
Ahh, all because you're not mine

I'm running, running  
Running back to you  
I'm working, working  
Got something to prove

Ahh, I'm doing overtime  
Ahh, all because you're not mine

Now I'll fuck somebody else and see what that does to you  
I-I-I, ahh  
I guarantee you'll be up in that next chick, what did I do?  
I-I-I, ahh

Running, running  
Running back to you  
I'm working, working  
Got something to prove

Ahh, I'm doing overtime  
Ahh, all because you're not mine

Your body's second nature, that's how I really feel  
You're my book, I'm your author, don't you know the deal?

Running, running  
Running back to you  
I'm working, working  
Got something to prove

Ahh, I'm doing overtime  
Ahh, all because you're not mine

Running, running  
Running back to you  
I'm working, working  
Got something to prove

Ahh, I'm doing overtime  
Ahh, all because you're not mine

You're not mine  
Du-do-do-do  
Do-do-do  
Yeah  
You're not, you're not, you're not  
Mine  
No  
All 'cause you're not mine  
Duh-duhduh-duh-duh-duh-duh-duh-duh  
Duh-duhduh-duh-duh-duh-duh-duh-duh  
Duh-duh, yeah

Ahh, yeah  
Ahh, yeah  
Oo-wuh-uh-uh-uh, uh-uh
