Snakehips

Boy, I know you're feeling me  
But you know that doesn't mean  
That you're coming home with me  
It's alright, we got tonight

Boy, I know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know, know, know...  
We got tonight

Boy, I know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feel-

Boy, I know you're feeling me  
But you know that doesn't mean  
That you're coming home with me  
It's alright, we got tonight

Boy, I know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me  
Know you're feeling me
