Better talk, money talk
Bills talk, tick tock
Wrist watch, bling-blaw
Wrapped like it's Christmas
New guap on the block
Teach 'em how to Milly Rock
You ain't getting money, why you looking, huh?
Boy, stop

I caught the wave, I caught the wave
I caught the wave, I caught the wave
I caught the wave, I caught the wave
I caught the sharks that are swimming with the fishes
I caught the wave, I caught the wave
I caught the wave, I caught the wave
I caught the wave, I caught the wave
I caught the sharks that are swimming with the fishes
