

Bleeding Orange

Snapcase

Why, do i work here? eye, electric eye on my back whos the next
one down?, to be the perfect clone to be the perfect drone, to
be the star employee ten cent raise, ten cent raise work five
times faster you pressure me, no apologies you just enjoy your
power someday ill be my own boss work for myself, work for myse
lf ask of me, a faceless devotion fill my head with dreams, of
company advancement bleed our colors, this is not my life bleed
our colors, its just my job a message, from the bottom of the
ladder
