

Feel My Love

SNBRN

I'm so sorry, say it one more time
Do you feel my love?
Yeah, I knew you're mine
I'm so sorry, say it one more time
Do you feel my love?
Can you ever get enough?
Hey you, say it one more time
I know it's true
And I knew you're mine
Hey you, do you feel my love?
Hey you, can you ever get enough?

So tell me, baby, do you ever feel lonely?
Tell me, baby, do you ever feel sorry?
All the thing that was taking over, taking over, taking over
Tell me, baby, do you ever feel lonely?
Tell me, baby, do you ever feel sorry?
All the thing that was taking over, taking over, taking over

Feel my love, love, love, love, love, love
Feel my love, love, love, love, love, love

I'm so sorry, say it one more time
Do you feel my love?
Yeah, I knew you're mine
I'm so sorry, say it one more time
Do you feel my love?
Can you ever get enough?
Hey you, say it one more time
I know it's true
And I knew you're mine
Hey you, do you feel my love?
Hey you, can you ever get enough?

So tell me, baby, do you ever feel lonely?
Tell me, baby, do you ever feel sorry?
All the thing that was taking over, taking over, taking over
Tell me, baby, do you ever feel lonely?
Tell me, baby, do you ever feel sorry?
All the thing that was taking over, taking over, taking over

Feel my love, love, love, love, love, love
Feel my love, love, love, love, love, love
Feel my love, love, love, love, love, love
Feel my love, love, love, love, love, love
