Take me to a place  
Where I wanna go  
All your friends can come  
We can call it home

Take me to a place  
Where I wanna go  
All your friends can come  
We can call it home

Take me to a place  
Where I wanna go  
All your friends can come  
We can call it home

Take me to a place  
Where I wanna go  
All your friends can come  
We can call it home

Take me to a place  
Where I wanna go  
All your friends can come  
We can call it home

We can call it home  
We can call it home  
We can call it home  
We can call it home

We can call it home  
We can call it home  
We can call it home  
We can call it home
