

# If I Can't Have You

SNBRN

Going through the motions  
And all I do is miss you  
While the other side of loving ain't right  
And if my heart stops beating  
I think you'd know the reason

So baby, do you know, do you know, do you know, do you know, do you know?  
You kills me slow  
Do you know, do you know, do you know, do you know, do you know?  
I can't let this go

'Cause I don't wanna cry  
And hurt the demon of the night  
If I can't have you, if I can't have you  
But how am I supposed to carry on and be alright  
If I can't have you, if I can't have you  
Then I don't want nobody baby  
I don't want nobody baby  
If I can't have you, if I can't have you  
Then I don't want nobody baby  
I don't want nobody baby  
If I can't have you, if I can't have you boy

Put your touch on me like a curse  
A funny kind of magic  
And I'll still put you first  
[?] side of love and it hurts  
And I can't shake the habit  
I think it's getting worse

So baby, do you know, do you know, do you know, do you know, do you know?  
You kills me slow  
Do you know, do you know, do you know, do you know, do you know?  
I can't let this go, no baby

'Cause I don't wanna cry  
And hurt the demon of the night  
If I can't have you, if I can't have you  
But how am I supposed to carry on and be alright  
If I can't have you, if I can't have you  
Then I don't want nobody baby  
I don't want nobody baby  
If I can't have you, if I can't have you  
Then I don't want nobody baby  
I don't want nobody baby  
If I can't have you, if I can't have you  
If I can't have you boy
