

Live Like This Forever

SNBRN

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever

To figure out how I got here
Cause who am I if I'll do nothing
I'll medicine this mind away
Cause I can't live like this forever
