It takes zero seconds to realise that I love you
Zero seconds to realise that I need you
Zero seconds to realise that I love you, die
It takes zero seconds to realise that I love you
Zero seconds to realise that I need you
Zero seconds to realise that I need you, die

So baby, if na love you, ooh-o, love you ooh-o, I dey
So take all of my money o, money o, throw way
So baby, I can die for you-you, for you
I feel to go a thousand miles for you, for you

Let me tell you how I feel (Feel)
I ain't gonna lie (Nah)
Baby, every night, got you on my mind (Uh)
Pull up in the X5 waitin' outside (Skrtrt)
For the weekend, baby, we should spend a likkle time (Jeez)
Wear somethin' nice, girl, you know the vibes
Red dress, love it when your dress fit tight
Tryna see you shine, give me fine wine
Anytime we're, won't make you spend a dime
I be smokin' on my weed (Psh), I'm just gettin' high (High)
Ride or die, baby girl, we're for life
So rock with the ice (Uh), got you feelin' nice
Tell me what you want, baby, I'ma pay the price
I met her back in Naij' (Naij'), damn, oh my (Ooh)
First time I see her, love at first sight (Yeah)
Omode yi fine (Fine)
Me I no go lie (Lie)
Everyday, you're the only person on my mind (That's right)

So baby, if na love you, ooh-o, love you ooh-o, I dey
So take all of my money o, money o, throw way
So baby, I can die for you-you, for you
I feel to go a thousand miles for you, for you

It takes zero seconds to realise that I love you
Zero seconds to realise that I need you
Zero seconds to realise that I love you, die

Baby, baby, please say you never leave
Say you love a nigga, let me put your mind at ease
Let me be your please the way you just a tease
Baby, baby, I've been beggin' on my knees
Baby, baby, please, I'm beggin' on my knees
When you move your body, make my soul just start to tease
And I feel to do anything there for your attention
It's this love, baby girl, are you for tuition?
Everything changed when you step inna me life
I want you for the day and I want you for the night
If you don't mind, the dinner will be nice
You can come with your friends, I will pull up with my guys

So baby, if na love you, ooh-o, love you ooh-o, I dey
So take all of my money o, money o, throw way

So baby, I can die for you-you, for you
I feel to go a thousand miles for you, for you
