If a nuh one of my bros we no conversate
Babygyal when you see me better wine yuh waist
You nuh see me time precious and it nuh fi waste
She see a Bridgetown man and now she want a taste

Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake
Kiki say she love me she forget about Drake
Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake
Kiki say she love me she forget about ...

All the money inna the world me could a never sell me soul
If you nah no condom me no come inna yuh ...
Could a never wife a freaky gyal yute a nuh so me roll
You nuh see seh CV gyal dem outta control
You see Dadda with the black Clarks
Spliff inna the right hand the left inna the bag
Dawg you know that tune yah ago shot weh like a Glock
Sony pon the phone a tell me fi ease out on the plaques

Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake

Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake
Kiki say she love me she forget about Drake

Body so good, pussy too nice
Getting no sleep hella sex all night
Took her for a ride, ride pon a bike
Met her in the hood I took her back to dubai
She was bad she was boujee, fat back booty
X was her name me and her made movies
Ringing off her phone tryna get his girl back
She don't wanna talk said she's done with that
Said shes done with him she can't fuck with him
Girl dont fight with him just come ride my ting
Took her round the world took her on a boat cruise
I just took a man gyal that's some breaking news
Gyal fuck fuck fuck fuck fuck fuck it up
Backshot babygyal don't stop
Bruck bruck can I get my cock suck, do it in a drop top in your pretty crop top

Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake
Kiki say she love me she forget about Drake
Babygyal you better shake, shake
How you got that food and you nuh put it pon me plate
Sleeping on me better wake, wake
Kiki say she love me she forget about Drake
