Sneaker Pimps

You can keep breathing, I only fall when you are near me
Incomplete, I only talk when you can hear me, keep dreaming
Can't wake up until I'm sleeping, lost on me, close to something I'll never be

Close to something I'll never be

If I just stay here, close my eyes can you still see me ?
Obsolete, very nearly something to see
Still see me, I can't wake up for sleeping
Incomplete, very nearly something to be

Very nearly something to be

You can keep trying, drown in sleep to be flying
See for miles, something that I wanted to be
I can't wake this dream, prototype ends up has been
Incomplete, the consequence of something to be
