

## Low Five

Sneaker Pimps

It takes too much to please me  
Attached but no real feeling  
High fives and corporate anthems  
Nothing comes to mind

Kitemarked for true low standards  
Where more wants all and no less  
Just change with no real progress  
Nothing comes to mind  
I want higher  
Still nothing comes to mind

Give me a low five  
Doz I can't help myself  
I'm a low five downsize no one else  
Do you love yourself?

These altered states and egos  
Potential less than zero  
Found God in San Diego  
Nothing comes to mind

I half expect to find myself  
In full control of nothing else  
Lost hope but learnt to hopeless  
Nothing comes to mind  
I want higher  
Still nothing comes to mind
