## **Low Five**

## **Sneaker Pimps**

It takes too much to please me Attached but no real feeling High fives and corporate anthems Nothing comes to mind

Kitemarked for true low standards Where more wants all and no less Just change with no real progress Nothing comes to mind I want higher
Still nothing comes to mind

Give me a low five <code>Ooz I can't help myself I'm a low five downsize no one else Do you love yourself?</code>

These altered states and egos Potential less than zero Found God in San Diego Nothing comes to mind

I half expect to find myself
In full control of nothing else
Lost hope but learnt to hopeless
Nothing comes to mind
I want higher
Still nothing comes to mind
