

# I Just Don't Want To Be Loved

Sneaky Sound System

I just don't wanna be  
I just don't wanna be loved by anyone  
And I never understand why you wanna be on your own  
But I just don't wanna be loved by anyone  
No, No, No, No

I just don't wanna be  
Loved  
I just don't wanna be loved by anyone  
And i never understand why you wanna be on your own  
But I just don't wanna be loved by anyone  
No, No

This is the best part, the very very best part  
This is the best part, best part, best part

This is the best part, the very very best part  
This is the best part, best part best part

I just don't wanna be loved by anyone  
And I never understood why you wann be on your own  
But I just don't wanna be loved by anyone
