

I Need You So

Sneaky Sound System

Everything you do is so amazing, I can't help it
I need you so, I need you so
And everything about you is so deliciously delightful
I need you so, I need you so

Dear, I'd go down with it, down
To get you home, to get you home
And tears, oh, my god, my god
I want you so, I want you so

I, I won't give you up 'cause I need you so, I need you so
No I, I can't let you go 'cause I need you so, I need you so
I, oh, I won't let you go 'cause I need you so, I need you so
No I, oh, I can't let you go 'cause I need you, I need you, I need you so
Everybody says you're so mysterious and magical
I need you so, I need you so
The way you sweep your head to the side when you're embarrassed
I'm in love with you, I'm in love with you

Dear, I'd go down with it down
To get you home, to get you home

And tears, oh, my god, my god
I want you so, I want you so

I, I won't give you up 'cause I need you so, I need you so
No I, I can't let you go 'cause I need you so, I need you so
I, oh, I won't let you go 'cause I need you so, I need you so
No I, oh, I can't let you go 'cause I need you, I need you, I need you so

I'm in love with you

I, I won't give you up 'cause I need you so, I need you so
No I, I can't let you go 'cause I need you so, I need you so
I, oh, I won't let you go 'cause I need you so, I need you so
No I, oh, I can't let you go 'cause I need you, I need you, I need you so

Oh, what you're doing? Answer me, babe
Tell me you love me, oh, give what you're doing, give your all
I need, need you
