

# I Want Everything

Sneaky Sound System

The kid don't like the fuss  
So I put on a good face  
And what's this a matter of trust  
So why we gotta play these games  
Pause & I think, give it maybe a week  
L O V E  
The kid's got a give me a go, I need some culture

I don't want your body  
I, want, I want, I want everything  
No more compromising  
I, I want, I want, I want everything

I got a letter from a boy, he got lovely legs  
Turn on your camera phone, and take a picture  
Get so carried away, all of us want to....

It's like I'm on Novocain I can't feel, I can't feel, I can't feel  
my heart break.

That's how baby we choose you got a television, make me part of  
the news  
That's how I gotta know you got a television, make me part of the  
show.

I don't want your body  
I, want, I want, I want everything  
No more compromising  
I, I want, I want, I want everything  
I don't want your body  
I, I want, I want, I want everything  
No more compromising  
I, I want, I want, I want everything
