

## Five & Zero

### Sniff 'n' the Tears

The wheel was spinning away my earnings and  
The bets had stopped  
Across the table she smiled to herself  
With her eyes dropped - a little  
She put her winnings on to five and zero  
Then she looked my way  
This was the moment that I had to angle to  
Make my play

My heart was thumping as I bought my chips  
And then I placed them next to hers  
The room was hazy and the tension building  
As I looked across at her  
As the ball dropped into the slot at zero  
She smiled a secret smile  
My hand was trembling as I reached for my winnings  
Then gave her back a pile  
And if it's all right  
I think I'll run and hide  
Run and hide

As I followed her into the soft moonlight  
I said you brought me luck  
She said It's no fun when you're losing or  
Giving up  
So I held her to me and I breathed the fragrance of her  
Breathtaking perfume  
And the croupier said "Les jeux sont faits"  
As I saw she'd left the room  
And if it's all right  
I think I'll run and hide  
Run and hide

Zero, five and zero
