

Burning Bridges

Snoh Aalegra

What you see isn't real, cause I hide how I feel
Everything is nothing, it's all up in my mind
Memories, marked by melodies, but its far from what I need
Everything is nothing, it's all up in your mind

Stuck inside a shade of black, I love the sound of burning bridges
This is all enough but is there more that you would want to confess?
Before I leave again

No need to fight, you failed, now walk away (don't walk away)
I'm out of breath, I might as well be dead, oh it hurts to love you
Yeah, yeah, what you gonna say?
Yeah, yeah, what you gonna say?

I am numb, cold, cause my heart, you sold
Now I'm left with nothing, oh I've been so blind

Stuck inside a shade of black, I love the sound of burning bridges
This is all enough but is there more that you would want to confess?
Before I leave again

No need to fight, you failed, now walk away (don't walk away)
I'm out of breath, I might as well be dead, oh it hurts to love you
Yeah, yeah, what you gonna say?
Yeah, yeah, what you gonna say?
