

Don't Explain

Snoh Aalegra

Hush now, don't explain
Just say you'll remain
I'm glad you're back
Don't explain

Quiet, don't explain
There's nothing to gain
Skip that lipstick
Don't explain

You know that I love you
And our love endures
Nothing rates above you
For I'm so completely yours
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, my sweet

Hush now, don't explain
You're my joy and pain
My life's yours, love
Don't explain

You know that I love you
And our love endures
Nothing rates above you
For I'm so completely yours
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, my sweet

Hush now, don't explain
You're my joy and pain
My life's yours, love
Don't explain
