

DYING 4 YOUR LOVE

Snoh Aalegra

Ooh, oh
Mmm

Tell me how are we supposed to still be talkin' every day
When everything between us just completely changed? Oh, why?
And tell me how am I supposed to go ahead and just erase
Every feelin', every memory we shared? Oh, why?

'Cause I was dyin' for this love, this love
Yeah, I was dyin' for your love, your love

So tell me, baby, do you want me like I want you?
Even if you did you wouldn't say, I know you
Some nights I even think about if I should call you
'Cause I thought you were the one

'Cause I was dyin' for this love, this love
Yeah, I was dyin' for your love, your love

So tell me, baby, do you want me like I want you?
Even if you did you wouldn't say, I know you
Some nights I even think about if I should call you
'Cause I thought you were the one

So tell me how, how could you tell me that you love me by mistake?
Intoxicated via text, ain't you ashamed? That's so wild
So how can I believe or trust in anything that you say
When you so easily regret it the next day? See, that ain't right

'Cause I was dyin' for this love, this love
Yeah, I was dyin' for your love, your love

So tell me, baby, do you want me like I want you?
Even if you did you wouldn't say, I know you
Some nights I even think about if I should call you
'Cause I thought you were the one

'Cause I was dyin' for this love, this love
Yeah, I was dyin' for your love, your love

So tell me, baby, do you want me like I want you?
Even if you did you wouldn't say, I know you
Some nights I even think about if I should call you
'Cause I thought you were the one

Yeah, yeah, yeah, oh, whoa
Yeah, yeah, yeah, oh, whoa

I know nobody's perfect and we are the way we are
But you know I don't deserve it and I waited way too long

'Cause I was dyin' for this love, this love
Yeah, I been dyin' for your love, your love
