

# Sometimes

Snoh Alegra

Sometimes I decide where I should be  
And sometimes life, it just happens to me  
Sometimes I decide where I should be  
And sometimes life, it just happens to me

Oftentimes I wonder  
If I'm supposed to be here  
Even though I struggle  
The light is always so near

Yeah, smokin' on that really good, man, I wish you really would  
Wonder if he's really hood, wonder if I give a damn  
I'm the man, I'm the one, the only beloved son  
Tell me where you come from, get the bread, fuck the crumbs  
Use your head, don't be dumb, use your head, don't be dumb  
Use your head, don't be dumb, use your head, don't be dumb  
Bringin' it back with the murderous flow  
What I've been wonderin', anybody know  
Use your common sense like resurrection, yes that is for sure  
I've been speakin' in code this whole verse  
Lyrics disperse like MF DOOM, then hit 'em in reverse  
My curse, is this blood I spill, metaphorically I kill  
Yes, that's for real, can we all keep it trill?

Sometimes I decide where I should be  
And sometimes life, it just happens to me  
Sometimes I decide where I should be  
And sometimes life, it just happens to me

Sometimes I decide where I should be  
And sometimes, life just happens to me  
Sometimes I decide where I should be  
Where I
