

TEMPORARY HIGHS

Snoh Aalegra

I'm falling out of comfort
My friends, they not my friends
This life just makes me wonder
All these temporary highs (Highs)

Is it worth it?

Is it worth it?

Is it worth it?

I know I prayed for these moments (Moments)
Chased after these moments

All these temporary highs
Highs
Highs

Is it worth it?

Is it worth it?
