

Hey mister, in the corner of my eye
Would you mind to share your time?
Maybe give me some advice? Yeah
Hey mister, if I tell you what's on my mind
If I share you some of my light
Would you kindly share your knowledge?
Mister, I'm searching
He said
"It's only gonna get worse, it's only gonna get worse
Enjoy your time, it's only gonna get worse"
Do you mind it if I ask why?
He said
"Here's the thing about life, it's only gonna get worse"
Save her, save me, save yourself
He said
"You're gonna break your heart, you're gonna fly away"
Gonna fall apart, you're gonna break your heart
You gotta move away, you're gonna break your heart
There's no reason why you gotta break your heart
You're always gonna find a way
To break your heart

Listen, break your heart, it's only gonna get worse
No matter what, you're always gonna get hurt
