

# Freaky Lil'

Snoop Dogg

Oh, yeah, papa  
She's the freak of the week (Freaky, freaky, freaky)  
She's so fly and so petite and so sweet  
She's the mellow in my yellow  
She's the high in my "Hello"  
Do you dig what I'm sayin', fella?  
Yeah, rock, rock, y'all

Oh, I, oh, I, oh-oh-oh  
Oh-oh-oh, I (Oh, I)  
Oh, I, oh, I, oh-oh-oh  
Oh-oh-oh, I (Oh, I, yeah, yeah, yeah)

This girl is the freak of the week  
But I'd be damned if I let her out-freak me  
Do you know who you freakin' with?  
It's Dr. Freakenstein  
Here to freak with your body, your soul, and your mind  
Can I hit the cool pack one more time? (Yeah, hahaha)

The girl's a freak, the girl's never missin' a beat  
The girl's a freak, the girl's never missin' a beat, yeah, yeah  
And I just need deep sugars, throw the leaves, when she went down on me

She went down on me, 'cause that's what she wanna do (Wanna)  
It ain't about what you wanna do or what you gonna do (Gotta)  
You gotta do what you gotta do, now do it  
Get to the task, do it real fast (Fast)  
Go on, baby girl, go and shake that ass  
You know you wanna break it down and try to give it to me  
'Cause you wanna fuck with the P.I.M.P  
And it's all great, baby (Yeah)  
Give it to a nigga, 'cause you're oh-so crazy  
And shake it, drop it, pop it, quick  
And let a nigga hit that ultimate

Take me in and turn me out  
Show me what the lil' muffin all about  
I show you what a real nigga all about  
Make me take it out your pussy, now put it in your mouth  
Take me in and turn me out  
Show me what the lil' muffin all about  
I show you what a real nigga all about  
Make me take it out your pussy, now put it in your mouth, lil' freak

Freak with me, freakin' with your mind  
Freakazoid's around the world  
This is Dr. Freakenstein, one more 'gain, my friend  
Here to sin the end to the win, and put the juice to the gin  
And as we say in the streets, it's all to the good  
If you lose, or if you win  
She's a freak, she was born to be a freak  
She can't do nothin' but freak  
You ask her to speak, and she can't do nothin' but freak  
Seven days a week, the girl was born to freak  
And me bein' the freak that I am  
Come freak with me

And I'll freak your mind, body, and soul  
And show you how to maintain and do this thing  
But Doggystyle is the way I freak  
How else could I get to the booty if I don't attest from the back?  
Yeah, freak of the week  
This is dedicated to all the freaky nasty girls  
That like to shake what their mama gave 'em  
Misbehavin' is the thing to do  
I love it when a girl does somethin' that she's never done  
And she has fun while she's doin' it  
Suck me, bitch

Oh, I, oh, I, oh-oh-oh  
Oh-oh-oh, I (Oh, I)  
Oh, I, oh, I, oh-oh-oh  
Oh-oh-oh, I (Oh, I, yeah, yeah, yeah)
