

# Pain

Snoop Dogg

A lotta times  
You see performing for thousands of people  
Filling their hearts with love and joy  
Not knowing that I'm going through so much pain  
But God knows everything  
And I mean everything that I'm going through

Pain  
Pain  
God knows about your pain  
Pain  
Pain  
God knows about your pain

Feeling so alone and deserted  
People standing all around you  
You walk around, hey  
With a fake smile on your face  
Cuz you don't nobody to know what you're going through, no  
But your weeping may endure for a night  
But your joy is coming in the morning  
But your weeping may endure for a night  
But your joy is coming, oh

Pain  
Pain  
God knows about your pain, oh  
Pain  
Pain  
God knows all about your pain

Feeling so alone and deserted  
People stand all around you  
Walk around  
Head up with foolish pride  
Cuz you don't want nobody to know what you're going through, oh  
But your weeping may endure for a night  
But your joy is coming in the morning  
But your weeping may endure for a night  
But your joy comes in the morning

Comes in the morning  
Morning, ooh yeah  
It comes in the morning  
cause it holds me fast  
Clouds in the sky, hurrying by  
I know it's alright, Jesus is mine

Joy comes in the, joy comes in the...  
Joy comes in the morning time  
Joy!  
Joy!  
Joy comes in the...

Joy comes in the morning  
Break it down one more time for me  
But your weeping may endure for a night

But your joy comes in the morning
