

# Please Take A Step Back

Snoop Dogg

Fresh for 2023  
Each one teach one  
(Yea) GaryVee, Snoop D-O-Dub  
This is what we do  
Oh you didn't know?  
This just the beginning  
And here... we go... (go)

(Yea) Put your hands in the air  
Drinks in ya cup if ya don't give a fuck (I don't give a fuck! Fuck.)  
Now, put the money on the wood  
Money on the wood, make the bet all good  
(Money, money, money, money)  
Yea, put the money on the wood  
Make it understood that you're dealing with the plug  
Living how I want, trynna do it how I've done  
Indo, then go, open up the window

Time  
Time flies bye  
Started from a nick bag, now I just kick back  
Pop P'z, count G'z, show up at the VeeCon  
Finally got the beat done, now I'm bout to eat sumtn'  
Keep sumtn' on me, heat sumtn' on me  
It's sumtn' bout money how it creeps up on me  
Geeks no phonies, sheeps no ponies  
GaryVee and Snoop Dogg, we the big homies  
Translating, educating, financial literacy  
I'm speaking facts to you literally  
Now take a few steps back back, adjust ya cap  
Integrate, calculate  
Bout to whip you into shape  
Re-invest in real estate  
And try to stack a hunnid different meals on ya plate  
Deals on ya plate  
Ha, yea it's true that dreams become true  
If it happened for me, then it could happen for you  
(You)

What if I told you this was the last Monday morning of your life?  
What if I told you you'd die this week?  
Would you complain about your crap job or that test you don't want to take?  
I doubt it  
I just don't get the mentality of being head down, sad on a Monday morning  
I'm going to make you Saturday, Monday morning  
That's what I want to do every morning, and that's what I want from you  
Please, take a step back and think about how awesome it actually is  
And then, recognize that you can attack the world in a totally different way  
'Cause you were lucky enough to be born durin this era...

(Yea) Put your hands in the air  
Drinks in ya cup if ya don't give a fuck (I don't give a fuck! Fuck.)  
Now, put the money on the wood  
Money on the wood, make the bet all good  
(Money, money, money, money)  
Yea, put the money on the wood  
Make it understood that you're dealing with the plug

Living how I want, tryna do it how I've done  
Indo, then go, open up the window

Please, take a step back...  
Please, take a step back...  
Please, take a step back...  
Please, take a step back...

Hold on, baby girl, could you...

Please, take a step back...

You're too close, wait a minute...
