Life ain't what it used to be  
I got these coward niggas shootin' at me  
So wrong  
So wrong  
So wrong (Sing it brother)  
So wrong (Sing it)  
So wrong  
It just ain't the same no more  
A nigga trippin' and stressin' a whore  
So wrong  
So wrong  
So wrong

That's how life is now homie

I'm just sittin' back vibin' to some Al Green now  
10, 11, 12 years in the game and I came from the Seenile  
Got a gang of loved ones in the penile  
Fighting for they lives everyday  
But meanwhile  
I see my life is sort of like theirs 'cause other than mom's and Boo-  
Boo nobody else cares  
I know you think I'm tweekin'  
But the only time I get to see my kids is on the visiting weekend  
I ain't in no chains  
But sometimes I get tested by the places I hang  
And my gang just banged on these niggas from the other side now I got reperc  
ussions, suckas is bustin'  
Talk is cheap  
And for some apparent reason  
The streets keep watchin' me, well watch me  
And watch ya back  
Pop pop I got ya that ratta-tat nigga  
I stay strapped
