Snoop Dogg

I'm here now nigger yeah, you've been waiting on me to bust on this beat.  
So let me go ahead and do my thing.

I've got one all ready.  
You can smoke on the jeezy  
Imma smoke on the bleezy  
Nigger take it easy  
Big Snoop heezy all-in the place let the beat go bang and turnup the bass  
Imma give it to you live and direct on stage  
cuz imma different nigger when I hit that stage  
My name is Snoop Dogg and you can turn the page  
Kick that shit like a 12-gage

Motherfucker get close to the shit that I bang like  
Snoop Dogg is on the microphone and I came like  
This is that good shit straight from my brain like  
Nigger gettin' close try to pitch in frame like

Don't get close cuz I represent the coast  
Burn a nigger like a breakfast toast  
Yes indeed I proceed  
And I'm in Amsterdam blowing weed  
With my niggers

We gettin' money, money, money, money, money, money, money  
We gettin' money, money, money, money, money, money

Let me break it down like this

See, see to get money is a small thing for me  
To get money is a big thing for you  
But you don't get it like I get it cuz your name ain't Snoop  
And you don't roll around in a 78' coupe

With the windows lay that  
Laidback  
With a bad bitch holding on my  
Litt that  
Yeah I'm bout to do that  
And rear that  
And clear that  
And do it to you just like did that

Boom bam  
Cuz I go like that  
I make a motherfucker wanna flow like that  
I take it back to the store like that  
Bust your bitch and make her wanna hold like that  
Cuz I'm all about cheese  
Snoop Dogg D O dubble G  
I am the one and only S N dubble O P D O dubble G why from the LBC

And I get money, money, money, money, money, money, money

Let me break it down for you one time

Green is for the money

Green is for the book  
Green is for the shit I've been doing in the club  
Green is for the people that been down with me  
And green is for the motherfucking DPG

We get it all the time  
Never ever faking the font  
And green is for the shit I've been put in my blunt  
And green is for the motherfucker standing on the side ones Snoop gets a tou  
chdown  
And screamout East-side

money, money, money, money, money, money, money, money
