

# Unsung Heroes

Snoop Dogg

It's been a long time  
I shouldn't have left you  
Without some hood shit to step to  
When you act nice, that's when they disrespect you  
Come sit down wit' your uncle, let me spit at you, nephew  
Let me holler at you, my nigga

Gang members liftin' weights in the front yard  
Life's a game of Spades, better keep a trump card  
You ain't used to Hell's Kitchen, get the hell out  
Me and Dre at the SoFi, the only way I sell out, nigga  
Yeah, run that back

I know I say a lot of shit, be patient  
A lot of knee-jerk reactions, false information  
Fuck that, I'm at the house on the PlayStation  
Dancin' with these dead presidents, the real inauguration

Too many niggas playin' wit' my reputation (Yup, yup)  
To step on our turf, you need an invitation  
No conversation, that's just how we live  
First watch was a Flavor Flav clock, you know what time it is (Yeah, boy)

Time's up

21-gun salute to my lieutenants (Yessir)  
This that West Coast flow that I invented  
Some advice to my young niggas tryna get it:  
Don't never let rap beef affect your business

School of hard knocks, we don't do the academics  
Nah, that ain't a shot

You know how dogs get when the moon rise  
Hood nigga, still eatin' Moon Pies  
Mama must've raised a fuckin' hell raiser  
Keep that lighter fluid, I'm a trailblazer  
Yeah, cause, he got that stick on him

Triple OG, focused on these zeros  
This the perfect song for the unsung heroes  
Dare a nigga to whack out my face on a mural  
Sharpening arrows, baptizing pharaohs

Shoot for the stars, you know who in charge, I eat with the gods  
This Death Row, I put my life in these bars  
It's kinda hard to compare it, from the fashion to the lyrics  
Wanna carry out God's plan? You gotta have a kindred spirit  
Point blank, period  
I know you hear it

Bang, bang, boogie, say up, jump the boogie  
To the bang bang, boogie, say up, jump the boogie  
Now this shit is timeless, Long Beach finest  
Show me Mount Everest, my nigga, I'm tryna climb it

Bang, bang, boogie, say up, jump the boogie

To the bang bang, boogie, say up, jump the boogie  
Now we keep shinin', all blue diamonds  
Please rewind this, niggas know who's behind this

'Nough said  
All blue, all red
