

What's The Difference

Snoop Dogg

Oh, it can't be right...
"How come?" meets the end...
Before you leave me, say a word...
And it's a waste of time
I know that I change
The way your heart picks the ones you love

What's the difference when you say all the words?
You'll still be with her, and I'll be fighting for more
What's the difference when you explain she's the one?
No, I don't think straight - cause I'm a woman who's madly in l
ove

You should say goodbye
But baby, it wouldn't even matter
...the way I'm losing love
They say it'll pass...
But lately I don't even bother to leave the light on...
