That's why I keep my ruger  
But I thank em, gracias I thank em  
When my pockets be on broke mode  
Smokin' on this mota  
I thank em, gracias I thank em  
If am rich as fuck I thank em  
Broke as hell I thank em  
If I'm stressed out I thank em  
For today I thank em  
If I blow your ass away  
It could've been me so I thank em  
Forgive me lord, but I thank em

Eh, okay not everything for sure  
Thank you lord yeah he know so  
No help where I come from  
When your city so poor  
My ghetto, man I love my ghetto  
Trappin' out my ghetto  
Swangin' off that yayo  
Pocket it was solo  
Ready for that elbow  
Watching for the popo  
Marked up and I know so  
All day they on patrol  
But they have no control  
BET no Visa  
No j's it was Reebok  
Talking in [?]  
Locked up for thank Jesus  
Cause I could been dizzy (dizzy)  
Fifty countin' a to z

That's why I keep my ruger  
But I thank em, gracias I thank em

In a eye of a shooter  
So you know I'll do ya  
Pocket it was breakin'  
Stomach steady aching  
Trappin' out of vacant  
But I had to take it  
Cause I could been dizzy (dizzy)  
From the streets to BET I did it
